Thoughtful • Practical • Purposeful

At Planet Scribbles, we believe that gifting in the medical world goes beyond appreciation – it's about empathy, connection, and trust. Our bespoke medical gift boxes are carefully designed to blend functionality, wellness, and meaningful branding – creating memorable experiences that resonate with healthcare professionals and patients alike.

Each collection is crafted with premium, health-conscious, and ethically sourced products, customized to suit the specific audience – be it Doctors, Patients, Pharma Partners, or Exhibition Delegates. From luxury desk essentials and personal wellness accessories to eco-friendly daily-use items, our boxes are designed to inspire positivity and gratitude.

We work closely with hospitals, pharmaceutical companies, medical event organizers, and healthcare brands to ensure every gift reflects your values, brand identity, and purpose. Whether it's celebrating a milestone, thanking healthcare heroes, or welcoming event participants – Planet Scribbles' curated boxes help you strengthen professional relationships, promote well-being, and leave a lasting impression.
